# FROM THE PRINCIPAL

Parents, Students, Alumni, and Friends of Loyola,

This past year has truly been a wonderful year for our students, faculty, alumni, and our Flyer family.

From perfect ACT scores to state championships to expressing our Catholic faith, our students have achieved at the highest level of our three pillars of academic excellence, student involvement, and faith in action.

I can't express how thankful I am to welcome our parents and visitors back on campus. Whether it was filling our stands at sporting events or welcoming all of our parents back for awards and special events, we are all thankful to be one big Flyer family again.

To the Class of 2022, thank you for your extraordinary presence at Loyola this year. You served our community well, providing leadership and inspiration. You have truly lived out our mission statement of being men and women of conscience, character, and compassion.

You will be greatly missed, and the rest of your classmates and teachers can testify to your incredible academic achievements, passionate performances, and exciting athletic seasons. If those were the only memories we had of this class, it would be enough to place you as one of the top groups of students to complete your education at Loyola College Prep.

You are so much more than grade point averages, inspiring recitals, and championships. The Class of 2022 is unique - not because of what you accomplished, but how you accomplished it. You took great care of each other. You took great care of Loyola.

In a day and time when it has become easy for young people to focus on individual needs and wants, your class chose to leave no one behind. The cohesiveness, camaraderie and caring you demonstrated is something for which you will long be remembered.

You always rose to the challenge of new ideas for school events and supported those events with great energy. You selflessly supported classmates in their time of need. You have shown a level of leadership seldom seen. You led by action and have provided a wonderful example for those classes to come of what it means to lead the Flyer way.

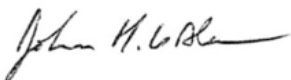

I'd like to take a moment and say a very special thank you and goodbye to Mrs. Glad Alexander for all of her hard work and dedication to our school.

A sincere thank you to Bishop Malone and our Board of Directors for supporting our students, faculty and school behind the scenes this year. We are proud to have an involved Board of Directors, and I know our Loyola family appreciates all you do. I also want to express my gratitude to those who generously gave back to our school through financial contributions, and a special thank you to Gary Christ and the Christ family for the exceptional donation of \$1.5 million towards tuition assistance.

We continue to be blown away by how the Flyer family made our first Giving Day so successful. We are also humbled by the continuous generosity of those who contribute to our Annual Fund, Community Scholarship, Athletics, Flyer Alumni Association, St. Vincent's Academy Alumnae, or Loyola Parents Association; your donations this year helped us continue our tradition of instilling conscience, character and compassion in students' lives. I hope that you remain dedicated to our school and its legacy.

We are looking forward to another wonderful school year. It's a great year to be a Flyer!

Loyola Proud,

**John H. LeBlanc '84**

# FROM THE BISHOP

As a child I used to collect baseball cards. I am not sure if that custom is still carried on much by lovers of baseball. In fact, most of the cards I collected have disappeared, with one or two exceptions. There was an “art form” to collecting such cards, which we bought at the local candy store. Each packet of cards contained some bubble gum strips, and four or five new cards featuring a contemporary star, whose face was on one side, and his “stats” on the reverse. My friends and I would meet periodically and bring with us a whole stack of cards, sometimes 50-100 cards in all. We would go through them with one another, and trade cards we needed. This process of “trading” was accompanied by a “show” of which card we were willing to trade, and waiting for a response from our friends: “got’em” or “need’em.” And so the exchange would begin. The more astute among us would know the value of one card over another, and the acquisition of a card we needed to complete our growing collection. The bottom line was the joy we would have going back home, and once inside, going through our newly acquired valuable cards. These were among the treasures of our youth.

When I arrived in Shreveport as Bishop two and a half years ago, I looked around at what became clearly familiar territory: churches, schools and hospitals. Every Diocese has these, and the ones I began to take note of as I began my “getting to know you” time of my episcopacy were prominent. Some of them were “got’ems,” the ones I was familiar with when I was a priest in Arkansas. Some, I felt like I “needed ‘em,” to make me feel at home among you. All of them made me feel welcomed here, and, as it were, “made me feel at home.”

One of them is Loyola College Prep, a Catholic high school in the Diocese of Shreveport. Here, now, I am writing out of ignorance, not knowing if new students to Loyola actually know the source of its name. I have asked myself the question frequently, does everyone know that our name, “Loyola,” is what sets our school apart as a Catholic school, with deep roots in the Jesuit community, and thus a Catholic school through and through?

I have wondered how many of our patrons, our parents, faculty, and especially our students would know that branding of “Loyola,” is rooted in the 16th century, named after St. Ignatius of Loyola... that Loyola was called Jesuit High School prior to its present branding of Loyola College Prep?

As I write this article, I want you to know that since I have been here in Shreveport, a number of people have asked me “Is Loyola a Catholic school?” I was shocked that such a question would be asked, and perhaps their question has deeper roots. But, I want everyone to know that Loyola IS Catholic through and through, and as the Bishop of the Diocese, I see this reinforced by the administration, by the presence of priests in the corridors, of the frequency of confession and school Masses, of the curriculum that is clearly Catholic, in the annual “Ring Ceremony Mass,” when Senior rings are blessed for the approaching seniors, and the Baccalaureate Mass, celebrating the Seniors about to graduate, and in the privilege I have of handing diplomas to them as they take their leave of Loyola, even if the name “Catholic” is not in the branding.

In other words, if it’s merely a question of “got’em” or “need’em,” we have them at Loyola. Can we be “more” Catholic? Sure, but let’s celebrate what we have, and rejoice in the Catholicity that is a part and the foundation of this great school.

# Senior Awards

The following awards recognize members of the Class of 2022 who have excelled in particular areas and deserve special recognition for their achievements.

## **JESSE SAGE CHANT SCHOLARSHIP**

**CHRISTIAN COLE SMITH**  
**HANNAH MAI-HUYEN PHAM**

This award was established in 2007 and is given to one graduating male and one graduating female with the intent that the scholarship assist in college tuition. Mrs. Chant, SVA Class of 1932, was dedicated to Catholic education and providing assistance for students to further their education.

## **MICHAEL BOVENZI AWARD** **MAXIMUS SCOTT CROFTON**

Michael Bovenzi was a 1999 Loyola graduate, and in 2006 his classmates created this award to honor him after he passed away in 2004. This award is presented to the senior male athlete who best exemplifies respect, humility, and Loyola pride and spirit.

## **BERT ADAMS / RAY RISER AWARD** **KATE ELIZABETH FORTUNE**

Created by the Loyola Parents' Association and voted on by the senior class, this award recognizes the female senior athlete who best exemplifies Loyola's competitive spirit, fairness, loyalty, and the true spirit of Loyola athletics.

## **BISHOP WILLIAM FRIEND PLAQUE** **BRIDGET ELIZABETH JOHN**

Awarded by the faculty to the Catholic female student who best combines spiritual leadership, loyalty, achievement, and scholarship for four years of high school.

## **CAPLIS ATTENDANCE AWARD** **KAYLIN MCKYNZIE BARRON**

Awarded to the senior with the best school attendance for his/her four years at Loyola.

## **FLYER OF THE YEAR** **DECLAN ROBERT CHMIELEWSKI**

Flyer of the Year is the highest honor a Loyola student can receive.

It is chosen by the faculty and given to the student who exemplifies what it means to be a Loyola College Prep student.

## **CATHOLIC SCHOOL STUDENT OF THE YEAR**

**DECLAN ROBERT CHMIELEWSKI**

Each year Loyola selects one outstanding student to compete in the Catholic School Student of the Year competition. Declan Robert Chmielewski was Loyola's nominee this year.

## **DAUGHTERS OF THE AMERICAN REVOLUTION GOOD CITIZEN AWARD**

**DECLAN ROBERT CHMIELEWSKI**

Loyola is privileged to participate in the Daughters of the American Revolution Good Citizen Program each year. This award is voted on by the faculty and senior class and given to the senior who exemplifies dependability, service, leadership, and patriotism.

## **THE BISHOP DESMOND GENERAL ASSEMBLY FOURTH DEGREE KNIGHTS OF COLUMBUS PLAQUE** **DECLAN ROBERT CHMIELEWSKI**

Awarded by the faculty to the Catholic male senior who best combines spiritual leadership, loyalty, achievement and scholarship throughout his four years of high school.

## STATE OF THE

# School Address

### STUDENT GOVERNMENT ASSOCIATION PRESIDENT, GRACE ANNE HARVEY

delivered the 2021-2022 State of the School Address recapping an eventful school year. Below are excerpts from Grace's address:

discernment groups to help us learn more about the life God has for us.

We have committed by initiating plans for a memorial garden in memory of our fellow classmates who have passed away.

I have always believed that growth starts with believing, and here at Loyola we believe in involved students, faith based actions, and academically strong minds. Our mission statement instills the drive to achieve our pillars of Student Involvement, Faith in Action, and Academic Excellence.

Every morning we promise student involvement, and offer every student who walks through our big blue doors the opportunity to be involved.

Pipeline brought people together to all sporting events, SGA brought over 50% of Loyola together for dances and brought goods to people in need during the Thanksgiving season and after hurricanes, and still found time to honor retiring staff and celebrate our academic departments.

Flyers are more than athletes, poets, or actors but they are also sellers in the annual Flyers & Buyers event where Blank Canvas Tutoring took the win.

Involved students make involved citizens. That's how we do it!

Every morning we promise faith in action. Loyola students know that faith is not solely practiced in the Cathedral, but that it is a daily commitment.

We committed by furthering the Bishop's dream to have collars in our classrooms, by welcoming two new chaplains, Fr. Jerry Daigle and Fr. Raney Johnson who have not hesitated to be involved in everything Loyola has to offer.

We committed by having over 30 students serving in our weekly masses. We have committed by having students lead rosaries and Bible studies. We have committed by having

We have committed to faith being a verb here at Loyola, it's who we are, and it's what we do!

Every morning we promise academic excellence, this is the hardest pillar to promise, because academic excellence is different for every Loyola student, but the expectation of excellence is universal at Loyola.

Excellence is reflected as 97 juniors and seniors serve as members of the National Honors Society with a 3.8 GPA or higher, and peer tutor.

Excellence is in our published musicians, filmmakers, writers, or artists in LYRA, in Mu Alpha Theta where math is like Einstein predicted... fun! Excellence is in completing three Spanish credits or being a member of Languages and Cultures of the World Club. Excellence is in our Media Arts classes, where all three levels lead the area with its unmatched tech experience and moving story telling.

Excellence is the ability to earn college credit while still enrolled at Loyola, with a 68 to 72% pass rate on AP testing in the 13 AP classes we offer.

Academic excellence is different for everybody, and that's how we do it!

This is why WE attend Loyola College Prep.

WE personally have made a difference as people of faith, as engaged citizens who strive in our community, and as motivated learners who use their God given gifts, because of the promises we made daily at 921 Jordan Street.

So... what is the state of the school? It's awesome.... It's really really awesome!

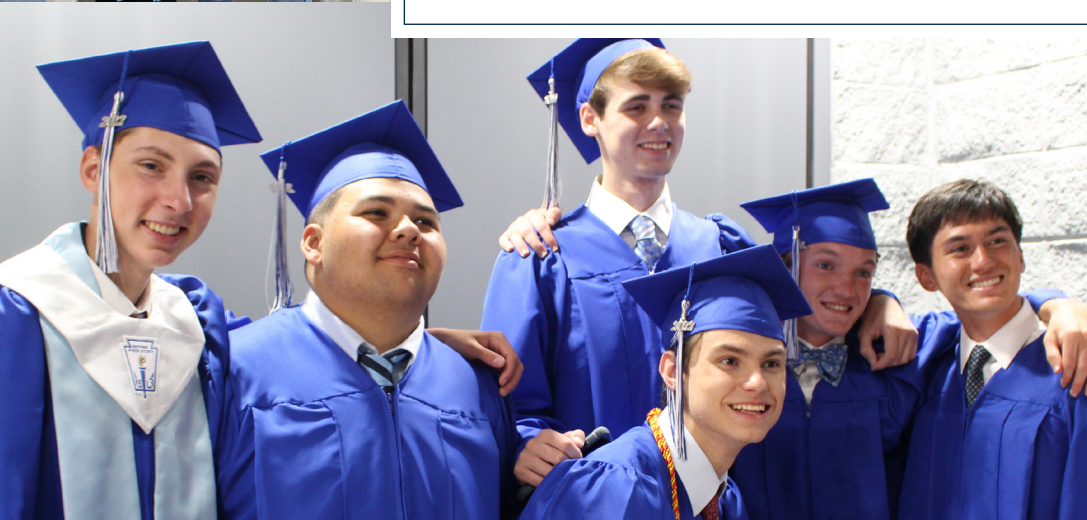

# Loyola College Prep Class of 2022

Loyola College Prep held its 120th annual Commencement ceremony on May 13, graduating 96 seniors from the Class of 2022. The graduation ceremony was held at the Bossier Civic Center with Bishop Francis Malone, Sister Carol Shively, family, friends, faculty and fellow classmates in attendance.

This year, 87% of the graduates will enter college with at least one scholarship. Together they have amassed over \$11.7 million in both merit-based and athletic scholarships. This amount does include anticipated TOPS scholarships.

Congratulations to the Loyola College Prep Class of 2022!

We wish you the best as you embark on this new chapter in your life!

**St. John Berchmans and St. Joseph Catholic Schools** hosted their graduating senior alumni during the final week of school for a special celebration and reception. Our seniors had a blast walking the halls of their alma maters and seeing their former teachers.

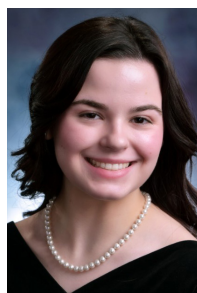

This spring Loyola College Prep was recommended for re-accreditation from Cognia (formerly AdvancEd). This accreditation process assesses schools in seven areas - vision and purpose, governance

and leadership, teaching and learning, documenting and using results, resources and support systems, stakeholder communication and relationships, and commitment to continuous improvement.

We continue to be humbled and impressed with our Flyer Family when one of our own is faced with a tragedy, crisis, or is in need. John Crofton, father to **Max Crofton**, received a heart transplant this spring. On the day of Mr. Crofton's surgery, a group of seniors came to campus on their day off (since the rest of the school had ACT Testing) and said the Rosary with the LPA Rosary group for Max and his family.

**Madalyn Eagles** was one of the six Virginia K. Shehee Most Influential Young Woman nominees. The Most Influential Young Woman award was new this year and was given to a female high-school junior or senior whose leadership, poise and determination are demonstrated through meaningful acts of philanthropy for her fellow students or community.

After 20 years, Loyola College Prep brought back the **science fair** this January. Under the leadership of Mrs. Jessica Weiss and Ms. Kiley Pulliam, students worked in groups on science projects over the Christmas break and 50 final projects competed in the Loyola Science Fair. Winner Caroline Henry went on to compete in the state competition.

LOYOLA COLLEGE PREP HAD

THOSE STUDENTS WINNING  
**FIRST PLACE MEDALS**  
IN 14 CATEGORIES.

**Mrs. Holly Bissell** completed a rigorous professional development by ACT to become an ACT Certified Educator in Math and Science. She will work with our teachers to give them teaching strategies that can be implemented immediately into regular classroom instruction.

The Flyer Family came together once again to show support for freshman varsity soccer player **Avery Brown** and her family. The Loyola girls soccer team played a special game against Haught on Jan. 11 to support the Brown family by wearing green. Avery's father, Brice, battled cholangiocarcinoma

and the teams came together to raise awareness and support the Brown family. Brice passed away on August 23, 2022.

**Homecoming 2021 was a huge success!** Thank you to SGA for organizing our spirit days during Homecoming Week. This is always such a fun week for our students and faculty.

**Mrs. Arelis Soberal** was the 2021-22 Ryan William Smith Award winner. We are honored that the Smith family continues to give back to our school and appreciative of the opportunity to honor Ryan's legacy.

**JUNIOR MAEVE CHMIELEWSKI MADE A PERFECT 36 SCORE ON THE ACT THIS SPRING. THE SCHOOL CELEBRATED WITH MAEVE AND HER FAMILY WITH A PEP RALLY AND COOKIES.**

Each year, the Ark-La-Tex chapter of the Armed Forces Communications & Electronics Association (AFCEA) accepts applications from students planning to pursue STEM education after high school and from STEM teachers in the region. This year **Del Johnson** received a grant, and seniors **Charlotte Cole**, **Declan Chmielewski**, **Patrick Haynes** and **Leslie Johnson** received scholarships.

The **girls soccer team** celebrated their state championship with sister schools St. Joseph Catholic School and St. John Berchmans Catholic School. The team worked the morning carpool line at both schools along with Principal John LeBlanc and Admissions Director Andy Cline.

Last summer, Loyola's logo and website received a facelift. We hope you have enjoyed the updated look! Check us out at [loyolaprep.org](http://loyolaprep.org)

**Frances Kalmbach** won first place in the essay portion of the 2022 Holocaust Remembrance Service Literacy Arts Competition! Her essay was titled "You're Never Too Young."

The **Flyer Faculty** won all three FCA championship games versus the students in basketball, volleyball and dodgeball!

# Loyola Parents' Association

The LPA is an organization that sponsors events, raises funds, and helps support students, faculty and staff at Loyola. We help the students, faculty, and families by supporting and inspiring students to be their best and to live out their mission statement of being men and women of conscience, character and compassion.

“

*I am so thankful for the opportunity to be the President of the LPA this last year. We had such wonderful, involved Executive and committee members this year who were not only creative, but also organized and really gave it their all.*

*- Modica Tompkins,  
21-22 LPA President*

”

This year LPA hosted several events for students, parents, and faculty. Thanks to the Executive Board, Committee Members, and the parents who volunteered their time to make sure the Loyola students and the Flyer faculty felt supported and loved this year. One of the biggest events the LPA hosts each year is Style Show. Chaired by Jolene Heard, Jennifer Roberts, and Camille Jones, the 68th Style Show

honored the 97 seniors with a “Viva Las Vegas!” theme.

“What started as a ladies luncheon almost 70 years ago has transformed into a unique and grand celebration for the Loyola seniors,” said Roberts. “From the senior walk to the alumni walk to the actual show where the seniors model clothes from local shops, it’s an unforgettable experience for everyone involved.”

The LPA provides many ways for parents to get involved at the school, support the students and faculty, and get to know each other.

“

*From Style Show to class sponsor to volunteering at a special event, the LPA is just a great way to get involved with the school and your child's high school experience.*

# Blank Slate Tutoring Takes Top Prize

Loyola College Prep freshman Carigan Carr was the big winner in the fourth annual Flyers & Buyers contest. Four Flyer student finalist teams presented their business pitches to local business "Buyers" in March. The event, sponsored by Louisiana Tech College of Business, Home Federal Bank, CHRISTUS Shreveport-Bossier Health System, River Cities Interventional Pain Specialists, and Barksdale Federal Credit Union is conducted through the Loyola Law Studies Program and teaches students how to start a business, make a marketing plan, and answer tough questions from potential investors.

The Buyers named Carr the winner for her fresh take on peer to peer tutoring that incorporates an art component. Her business, Blank Canvas Tutoring, focuses on peer-to-peer, personalized tutoring where students summarize what they learned at the end of their 9 week session with a painting.

Carr won \$500 cash as well as a \$1,000 scholarship to Louisiana Tech University's College of Business. The second and third place teams also won a \$500 scholarship to the college as well.

"We are honored to partner with Loyola to support early exposure to entrepreneurship through Flyers & Buyers," said Dr. Chris Martin, Dean of Louisiana Tech University's College of Business and a Flyers & Buyers judge. "This year's pitches were each outstanding, but Carigan—even

CARIGAN CARR

as a freshman—stood out as an innovator who can make her vision come to life. I continue to be extremely impressed with the quality of education Loyola provides and am particularly impressed with Joe Landreneau and his passion for inspiring entrepreneurial thinking."

The Loyola Law Studies program sponsor, Joe Landreneau, works with students during the first semester of the school year to develop their business plans and selects the top finalists.

**"I feel very honored and proud to win after all of the hard work I put into this project. I feel extremely accomplished beating my fellow competitors who are all older and who I thought had amazing ideas and presentations."**

- Carigan Carr

He said he was impressed with all of the Flyers and especially proud of Carr.

"Carigan's project addressed a specific need for students to receive tutoring that matches their style of learning," he said. "Her passion and preparation were evident as she pitched her concept to the Buyers. As a freshman, her overall poise was impressive, and I look forward to big

things from Carigan in the future."

Landreneau said Flyers & Buyers has an impact on students on two very different fronts.

"The cash prizes and scholarships to the College of Business at Louisiana Tech directly benefit the students in a tangible way," Landreneau said. "However, the greatest impact is more existential, as I've been blown away by how the program helps students overcome the fear of putting themselves out there."

# Faith In Action

**Loyola College Prep helps students build a better understanding of the Catholic faith, helps students develop strong Christian morals, compassion, and conscience, and prepares effective leaders of the Church, ready to witness the Gospels to the world.**

As Shreveport-Bossier's only Catholic private high school, Loyola College Prep integrates faith and its Catholic identity into everything they do. With weekly Mass, religion courses for each grade, and opportunities to give back to the community through service hours, Loyola is committed to following the mission "to create men and women of conscience, character and compassion, continuing the Jesuit Catholic tradition of discipline, academic excellence, student involvement and faith in action for 'The Greater Glory of God.'"

Not only does Loyola prepare students to be men and women for others, but a primary focus of the theology department is to help students build a better understanding of the Catholic faith.

Today three Loyola graduates are in seminary at the same time: Kelby Tingle '15, Benjamin Haddock '17 and Nathan Lirette '21.

"We are incredibly proud of Kelby, Benjamin, and Nathan, and it is an honor to have three graduates in the seminary at the same time," said John LeBlanc, Loyola College Prep Principal. "They are all great men who will be incredible leaders in the Catholic Church. They are

all shining examples of what it means to be a Flyer, and we are humbled they chose Loyola for their high school education."

Loyola Chaplain Father Raney Johnson said seminarians need to have developed a prayer life before entering the seminary. Catholic schools help build this spiritual foundation for students.

"Loyola helps to form young men in the spiritual life by giving them an environment in which they can pray and learn about their faith," he said. "Seminarians are also rooted in the sacraments, especially the sacraments of Eucharist and Penance. Loyola prepares students discerning the priesthood by giving them the opportunity to attend Mass each week and allowing them to have frequent access to Confession. In a sense, Loyola is not only a preparatory school for college but also a preparatory school for seminary."

The three men share how Loyola College Prep helped prepare them for seminary and how their experience in high school helped build and strengthen their Catholic faith.

**Benjamin Haddock '17**  
**Mount St. Mary's**  
**Seminary (seminarian**  
**for the Diocese of**  
**Arlington)**

My faith life definitely grew while I attended Loyola in Shreveport. I was undeniably prepared for college and further discernment

of God's call in my life. I enjoyed studying biology in high school and continued to do so at the university, but without a clear purpose for my life. Thanks to a wonderful Catholic community, I grew to love the Church and serving God's people; along with that came a desire to spend my life according to the path He ordained. Through prayer, I asked Him to show me this path, and I inexorably returned to the idea of entering the priesthood.

My favorite quotation, surprisingly not from the Bible, is of Takeshi Shudo: "I see now that the circumstances of one's birth are irrelevant. It is what you do with the gift of life that determines who you are." Holy men and women throughout history have likely thought much the same, but our world today desperately needs the life of sacramental grace offered by the Catholic Church. As I was taught at Loyola and found modeled in our chaplain and many a priest. Priests are the ones with the sacred duty to bring this grace to their flocks. In short, I want to share Jesus with the world, not just in the Word but in the flesh, in the Eucharist.

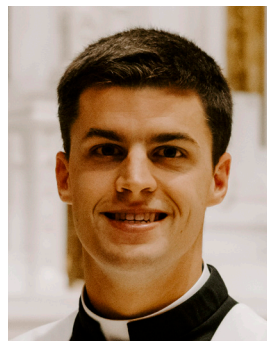

I am grateful to the Loyola community, and I look forward to taking on the mission and identity of Christ in a radical way, and coming to know and love Christ and finding Him in our brothers and sisters throughout the world.

**Nathan Lirette '21**  
**St. Joseph Seminary,**  
**Covington, LA**

My four years at Loyola greatly impacted my discernment to attend seminary. The theology and tradition taught me about my religion and allowed me to better understand my faith. I could have never made my decision without

this proper religious education. The great many teachers and mentors I had at Loyola aided in my discernment. The teachers cared very deeply about me and really pushed me to be better every day. The life lessons they taught me helped mold me into who I am today. Without those great mentors my discernment would have been much more difficult and cumbersome. I owe much to these great men and women that helped me along this path and cannot thank them enough for all they have done for me.

**Kelby Tingle '15**  
**Pontifical North**  
**American College, Rome**

As a proud graduate of Loyola, I often reflect on my four years of studying on Jordan Street with great fondness. I am grateful for the wonderful friendships that were fostered on the school's campus and the many ways

that Loyola prepared me for further education. Most importantly, I am beyond thankful for the instrumental role that Loyola played regarding my faith journey.

Loyola not only assisted me in arriving at a greater knowledge of the Lord from an intellectual point but also on a personal and relational level. The religion classes allowed me to come to a deeper recognition and love for the Lord Jesus Christ and the teachings of the Catholic Church, which He established for our sake. In a special way, I experienced the beauty of the faith through serving at the altar during the weekly Mass. During my senior year, I remember going to school early, even an hour before the first bell, to spend time praying before the Blessed Sacrament in the school's chapel. These moments of although seemingly simple and ordinary moments with the Lord were truly life changing since they were the means by which the Lord revealed Himself to me and His call in my life.

Now, as I look back on seven years of formation to the holy priesthood and as I look forward to being ordained soon, God willing, I see clearly the blessing that Loyola has been, and continues to be, in my life and in my quest for holiness.

*Join Us*

Please join us in prayer for Kelby Tingle '15 as he will be ordained a deacon in St. Peter's Basilica in Vatican City on Sept. 29, 2022. Several students from the Loyola communities will attend.

Save the Date for June 24, 2023 at 10 a.m. where he will be ordained into the priesthood at the Cathedral of St. John Berchmans. All members of the Loyola community are welcome to attend.

# THE FIRST LADY OF LOYOLA

## Glad Alexander Retires After 41 Years at Loyola College Prep

The 2021-22 school year was her last at Loyola College Prep, but those who thought she would leave as soon as final exams ended must not know Glad Alexander very well.

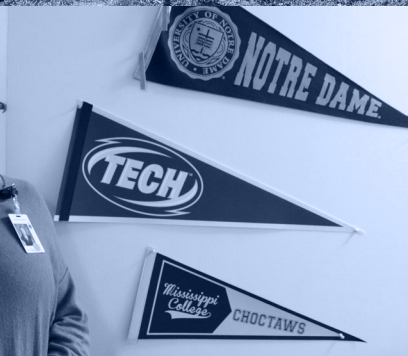

There's still work to be done.

As summer began, she continued to do what she has done for 41 years. She met with students and parents about college plans, even though she would be in retirement when these same students actually enrolled in college. She also worked with her successor so the transition would be as smooth as possible.

Yes, she slowly moved some things out of her office, but even after the school took a break for the summer, she came back to finish doing what she has always done best.

Make a difference.

When Alexander first came to Loyola, the school wasn't even called Loyola. When she was hired for the 1981-82 school year, it was the final one for it to be known as

**I cared to make things right. I cared to make things good. I wanted the kids to do things to the best of their ability and not sell themselves short. And I hope that's what people remember me for. - Glad Alexander**

Jesuit. She has been coming to 921 Jordan Street ever since as a speech teacher, debate coach, admissions director, college placement director, van driver, party coordinator and whatever else might be needed to be done. But no matter what her role has been, she has had one thing in mind.

"Who could I help today?" she says. "What difference might I make? Not just for today, but for later. And it's something that I might never know."

Over the course of 41 years, plenty has changed. But what she has seen as her role has not.

"I cared to make things right," Alexander says. "I cared to make things good. I wanted the kids to do things to the best of their ability and not sell themselves short. And I hope that's what people remember me for."

Alexander has impacted thousands of students and co-workers, but she says there is no doubt what Loyola has done for her as well.

"The school has impacted my life in more ways than I can count," she says. "I have always believed in the mission of the school. I believe that what it is doing, at its core, is the best thing we can do for young people. We are helping them grow not just educationally, but spiritually, morally

and physically in every way."

She has been at the school for one-third of its existence, so she has seen how it continues to thrive with each passing year.

"That's what is great about Loyola - no matter what changes, no matter who comes and goes, it carries on with a new life," Alexander says. "You contribute when you can and when you can't, somebody else will come in and fill the role and keep right on going."

As for how she will handle retirement, she knows a definite transition awaits.

"It is bittersweet," she says. "I don't know what it's going to feel like when the new school year comes and the kids are in school and ... I'm not there. That's going to be weird. I'll come back to Style Shows and football games. But it will just be different."

For someone who has done so much for so many, Glad Alexander's legacy at Loyola College Prep can be summed up quite simply.

"I'd like to be remembered," she says, "as someone who cared."

## *Anna Beth Clark to replace Mrs. Alexander*

As Mrs. Glad Alexander retires, Loyola College Prep is pleased to announce her replacement, Anna Beth Clark, former Senior English Teacher.

Mrs. Clark is a 2007 graduate from Loyola and received her B.A. in English from Rhodes College and her Master of Liberal Arts from LSUS. Mrs. Clark is passionate about our school, our students, and their success in college. Next school year she plans to hold college admission essay workshops for students and recommendation letter workshops for teachers.

"I hope to provide all students at Loyola with an easy and painless college admissions process, and I believe that this starts with my work with freshmen," she said. "I want students and their families to feel comfortable coming to me with questions, both small and large, and trust that I have their best interest in mind. I see my role as helping them reap all the benefits of their hard work."

# JESUIT ALUMNUS LEAVES A LEGACY AT LOYOLA

“

With all he had achieved in his life and all the people he had met, Gary never forgot his time at Jesuit. He never forgot his time here. It was so important and so precious to him that he wanted to leave his legacy behind here. Despite all of his accomplishments, good ole' Call Sign Hermit was a Flyer until the end.

- MICHAEL RUSSELL  
*Gary Christ's Nephew*

Gary Christ graduated from Jesuit High School in 1968. At that time, he left his mark as a Flyer by contributing to the Jesuit 1967 state championship football team, playing in the band for two years, participating in student government, and making friendships that would last a lifetime.

Earlier this year, Gary left a lasting legacy on Loyola College Prep by leaving \$1.5 million after he died in October 2020.

"The students of Loyola College Prep and all of the Flyer family are blessed by the generosity of Mr. Christ who never forgot his alma mater even as he served our country, excelled in his career as a pilot, and lived outside of our city," said John LeBlanc, Loyola College Prep Principal. "We are thankful for this extraordinary gift, and I don't think we can fully express how this will impact our school for generations to come. Mr. Christ showed the importance of generosity and giving back that we try to instill in all of our students."

After graduating from Jesuit, Christ received his bachelor's degree in Microbiology from Louisiana Tech University and received an MBA in business and political science from Arizona State University. Christ proudly served his country in the United States Air Force as a fighter pilot. Upon leaving the Air Force with the rank of Captain, he became a pilot for Southwest Airlines in 1987 and retired in 2015. Gary was an avid outdoorsman, climbing many of the world's largest peaks. He passed away in October 2020.

**"Gary was so special and passionate about many things in his life. He loved his time at Jesuit, his classmates, and the legacy Loyola continues today. The bonds that Gary made at Jesuit, the education he received, and his life experiences from being a Flyer are what helped shape him."**

**- KAREN SMITH, SVA '79**  
*Gary Christ's Sister*

"Gary was so special and passionate about many things in his life. He loved his time at Jesuit, his classmates, and the legacy Loyola continues today," said Christ's sister, Karen Smith, SVA '79. "The bonds that Gary made at Jesuit, the education he received, and his life experiences from being a Flyer are what helped shape him. It was Gary's wish to continue to provide a Catholic high school education for many generations to come. Our family knows the impact this donation will have on students for years to come, and we can't wait to see how graduates from Loyola continue 'to set the world on fire' because of Gary's contribution."

The school announced the sizable donation at a special assembly with students, faculty, members of Gary's family, his 1967 Jesuit classmates, and board members. The attendees were treated with a tribute video to Gary made by the Media Arts

class as well as special remarks from the administration team. However, it was the Christ family that made the big announcement and provided more insight into who Gary was as a person, brother, uncle and friend.

His nephew by marriage, Michael Russell, shared with the audience more about Gary's time serving our country, his family background, and how he came to garner the call sign "Hermit" by serving in the Air Force. He told the students about his humble beginning, and how much his high school experience meant to him.

"Gary truly started his education and his journey at what used to be Jesuit, but is now Loyola College Prep," he said. "This is where I believe he got his foundation and the drive to accomplish all that he had accomplished in life. He already knew when he left here that he could do more because it was instilled in him here."

Michael went on to share that in death Gary left sizable donations to Saint Jude Children's Hospital, Hellen Keller Association for the Blind and Deaf, and to Loyola College Prep.

"With all he had achieved in his life and all the people he had met, Gary never forgot his time at Jesuit," he said. "He never forgot his time here. It was so important and so precious to him that he wanted to leave his legacy behind here. Despite all of his accomplishments, good ole' call sign 'Hermit' was a Flyer until the end."

# FROM THE ATHLETIC DIRECTOR

## Flyer Fans,

As many of you know, I am Ben Schonfarber, the new Athletic Director at Loyola for the past year. I am a proud graduate of the class of 2009 and have served our school for nine years in many roles: as an assistant coach, head coach, math teacher and physical education teacher. I would like to thank all of the coaches, administrators, faculty, staff, parents, and athletes for making my first year in this role a great one! I am excited for what the future holds for Flyer Athletics and for how I can support our coaches and athletes.

Our athletic department mission is to model our Loyola College Prep mission statement, which reads: ***Our mission is to create men and women of conscience, character and compassion, continuing the Jesuit Catholic tradition of discipline, academic excellence, student involvement, and faith in action for "The Greater Glory of God."*** (Ad majorem Dei gloriam) A.M.D.G.

We pride ourselves on creating environments for each athlete to maximize their potential not only on the court or field, but off it as well. We hold our athletes accountable to their academic standards and the standards Loyola has for all students. Most importantly, we want our athletes to really feel like they have found a second family. We hope that you continue to support us and our programs as we strive for these things and strive to be the best high school athletics program in the state of Louisiana!

Go Flyers!

Sincerely,

**Ben Schonfarber '09**

# Flyers win girls state soccer championship!

The already-impressive legacy of Flyer girls soccer added another milestone in the 2021-22 season as Loyola became the first Shreveport-Bossier team (boys or girls) to win multiple state soccer championships.

But the team had to overcome recent history to do it.

Strawberry Stadium in Hammond had left a bitter taste for the Flyers in the last two years. In fact, Loyola hadn't scored a goal in 190 minutes of regulation or overtime on the field at Southeastern Louisiana. Two years ago it was a 1-0 loss to University Lab and in 2021, it was a penalty-kick loss, again to University.

So when the Flyers fell behind 1-0 to Archbishop Hannan in this year's title game, you couldn't help but wonder.

"It's always in the back of your mind of whether we are going to have another one like before," Loyola coach Mark Matlock said. "And when you go down 1-0, that's the first thing that creeps into

your mind."

But the second half took care of that as the Flyers scored four goals in rapid-fire succession to come away a 4-1 win and lift another trophy in the post-game celebration.

The blended stories of the four Loyola goal scorers is interesting – Erin Campbell and Kennedy Jarrett were significant contributors as freshman on the last state title team while sophomore Mary Helen Burford and junior Madalyn VanDevender were managers on last year's state final team due to being ineligible as transfer students.

"I think we were all just excited and nervous in the first half," Jarrett said. "We finally got our heads in the game. I think we all needed to realize that we needed to trust each other that we weren't going to make mistakes."

"Coach just told us to keep the pressure on in the second half," VanDevender said. "We've worked our butts off all season and we knew we were the better team."

"Our pressure in the second half made the difference," said Burford, who was named as the game's MVP. "We just wanted it more and we were going to go get it."

There have been years in which the

Loyola girls soccer team didn't have enough experience to win a state championship match. Years in which the Flyers simply weren't the better team. Or the opponent just had one player who was a difference maker.

There have been years in which a controversial goal made the difference. Another that resulted in the ultimate agony – a loss on penalty kicks. And there was that year in which the Flyers did come away with the championship, though even that came with a small asterisk.

The lesson here is that no matter how many times you get to a state championship match, some kind of unique challenge awaits.

The previous title in 2019 came in Division IV, which the Flyers dropped down to that year after playing in title games in both Divisions II and III. A title is a title, but this one answered the question of whether Loyola could win in a higher classification.

"This is what I might consider my most complete team," Matlock said. "But I'm so proud of the girls for keeping their composure and getting back into it in the second half."

Loyola played an incredibly tough schedule, going against both of the Division I finalists, a Division II state finalist, and five other quarterfinalists in either Division I or II.

# Coach Tanner Steps Off The Court...Again

It's hard to say which one Loyola girls basketball coach Kyle Tanner has done more – retire from coaching or rebuild the program. He's certainly done plenty of both during his years with the Lady Flyers.

This time around, the retirement certainly seems to be official as he steps away from the program and Jaila Dooley takes over for the 2022-23 season. Don't worry, Tanner will remain on the faculty and has no plans to retire from teaching anytime soon.

Tanner will retire as the winningest coach in the program's history, highlighted by the Class 2A state championship in 2011-12 season.

"I know I'll miss it," Tanner said. "I think I'll really miss the competition aspect of it. I'm a different kind of person when I get on the sideline. I'll miss the relationship with the players because you get really close to them."

"Just the challenge of it all," he added. "That will be the biggest thing I'll miss."

**Tanner will retire as the winningest coach in the program's history, highlighted by the Class 2A state championship in 2011-12 season.**

He certainly had his share of challenges. After six years as an assistant coach, Tanner took over for Rob Horneman in the 2007-08 season.

"When I started, that was a rebuild," Tanner said. "No seniors and only two juniors. That was mainly a freshman team. I was really just happy to avoid a losing season."

But after that 17-17 season, Tanner won 110 games in the next four years. The senior-dominated state championship team went 34-3 and really wasn't even challenged on the way to the title.

"I remember the amount of pressure on that state championship because it was expected," he said. "We thought we'd be there the year before (reaching the semifinals), but we had to deal with some injuries that year. I felt we had the best team (in 2011-12). It was more of a relief that we got it done."

Enter Rebuild #2 as the Flyers lost four of the top scorers in school history from that team. But Tanner led them to a fourth straight district championship.

"After we won the state championship, people thought we would fall off the cliff," he said. "But we came back and made it to the quarterfinals that next year."

Two years later, Tanner decided to step away and work as an assistant with Steve McDowell, who he had worked with at Southwood in the 1990s. But when McDowell left after three years, Tanner was back in charge in 2018-19 as the Lady Flyers won the district title with a 21-11 record.

Then came Rebuild #3 as well as another Un-Retirement.

Tanner had planned to stop coaching (again) after that year, but a month before the season, the new coach left the program.

Back to the sidelines went Tanner, but was faced with a team that had graduated their five leading scorers and returned only freshmen with little experience. That 2019-20 team won only four games, but won 12 games the next year and 15 this season.

"Even the last time we rebuilt it, that was still a lot of fun," he said.

Tanner will leave the Loyola sidelines with 241 wins and five district titles.

“

**I guess I'd like to be remembered as giving it your all. From coaching to the players, I just wanted everyone to just give it your best.**

*Coach Kyle Tanner*

”

## *Congrats* **JAILA DOOLEY**

Jaila Dooley will take the reins as head coach for the 2022-23 season. She joined Loyola as a physical education teacher and assistant basketball coach in 2020, and will be the first female basketball coach in the school's history.

"It's a great feeling to be the first female basketball coach at Loyola," she said. "We need more women to take on leadership roles to show young girls that they can do it too. There is a long history of great coaches here at Loyola, especially in basketball, and I am grateful to be among them."

Prior to joining Loyola, Dooley was a student basketball coach at East Texas Baptist University and has coached basketball for Thrive 360, a nonprofit organization that helps at-risk teens. She also played college basketball at LeTourneau University.

“

***Basketball may be just a game for some people, but to me it is a lifestyle. The game teaches you so many valuable life lessons that will help you excel at life off the court. My goal for our girls is for each of them to gain confidence, love themselves for who they are, and fear nothing or anyone but God. I want them to trust and love each other unconditionally, and be the best versions of themselves. If they achieve this, I know we will do great things on the court.***

*- Coach Jaila Dooley*

# Loyola Student Athlete College Commitments

This year, Loyola had several student athletes commit to play sports in college. **HOLDEN WEBB** was the only athlete to sign an athletic scholarship at the Division I level. As a freshman, he was the state runnerup at the state tournament and finished fifth in 2021. Webb was district and regional champion last spring with scores of 65 and 69, while finishing tied for third in the Louisiana Junior Amateur. This year, he finished second in the state tournament again.

The Girls Soccer Team won the Division III State Championship with a 4-1 victory over Archbishop Hannan.

Boys Golf Team placed second in the LHSAA state tournament.

Gus Nicolosi finished third in the state finals for the 50 yard freestyle.

The Loyola Track Team had a stellar season and topped it off by placing at the state track relay. The boys team placed 9th overall with a score of 27 points – the highest place and point total in school history for the boys team! The girls team placed 15th overall with 10 points!

Boys and Girls Tennis won regional championships this year with Brannigan Bissell and Sanders Graf winning boys doubles and Ravi Ahuja winning first place in boys singles. Taylor Nash and Mary Elberson placed second in the regional competition.

## All Academic Composite Team

Making a 4.0 is a huge accomplishment alone, but maintaining that GPA while playing a sport is something that only a few student athletes can achieve. Help us congratulate the following students for making the Louisiana High School Athletic Association's All Academic Composite Team. To earn Composite Team honors, student athletes must have an un-weighted 4.00 over six semesters.

## ALUMNI SPOTLIGHT

# JON ALSTON '01

“

*I was able to take a lot of the lessons I learned in sports and apply them to a new career. But it was tough. I worked hard to get here and break into a competitive and lucrative career.*

”

After playing five years in the NFL, Jon Alston '01 was well acquainted with what it was like to be in a competitive line of work. So once his football career ended, he set his sights on a more creative field.

A former All-State linebacker at Loyola in 2000, Alston now lives in Los Angeles and is an acclaimed writer, director, and producer. His award-winning films include *Augustus* and *Red Butterfly*.

“I’ve been fortunate to be able to shift gears to another career that is also very competitive,” he says. “But my back story in sports really helps me stand out. Not a lot of people can transition from one lucrative, high-level occupation to the next.”

It didn’t just happen overnight.

He has certainly broken through. He has been a story editor for TV series such as *S.W.A.T.* and *All-American* (where he was able to put his football background to use) as well as others in production.

Alston focuses on social justice in many of his works as a producer and director. “I was in St. Louis after Michael Brown was killed (2014). My apartment was 10 minutes from Canfield Drive,” he says. “Needless to say the subsequent unrest and Grand Jury verdict were incredibly divisive. And not just nationally or on the news, but between my friends as well. Interestingly enough, Shreveport is one of the only places I’ve ever been where people have disagreed politically but can still find ways to relate as human beings.”

It was in St. Louis (now the Los Angeles Rams) where Alston first came into the NFL. He was drafted out of Stanford by the Rams in the third round of the 2006 draft.

“It was hurtful to see people I cared for so divided without truly knowing why,” Alston says. “So I dug in. Spent months researching and reading all publicly available information about the case and the context surrounding it in St. Louis... which is and has historically been terrible/ borderline inhumane. Eventually, what I found and what I concluded through that three-month journey really opened my eyes.”

But it took time. A lot of time.

“I started writing what eventually became a very honest, evocative and ultimately unifying screenplay that explored the various attitudes of locals in the aftermath of Brown’s death that I didn’t completely finish until 2021, but versions had won competitions and helped me start my career in Hollywood,” he says.

Alston has won plenty of awards for his works – he says he’s on the verge of creating his own television shows – but what success he has had is only a by-product of what he wants to accomplish.

“The takeaway,” he says, “is that all of my works seek to unify.”

## FLYER ALUMNI ASSOCIATION

est. 1980

At the beginning of the school year, Dr. Rick Michael '89 was announced as President of the Flyer Alumni Association. Dr. Michael is a dedicated alum who has served in several roles at Loyola including 12 years on the Board of Directors with four of those as President, past parent, and 2019 Hall of Honor inductee.

**Dr. Rick Michael '89**

“

Loyola means so much to me, and I am happy to have served as the Alumni Board President this year. I am proud of what we have accomplished this past year in terms of getting momentum built and building a strong foundation once again.

”

After two years of limitations and challenges, Dr. Michael and the new Flyer Alumni Association Executive Board established a new vision for the Flyer Alumni Association, and they have supported many events this past school year to include Hall of Honor, Snoopy Shoutout, Flyer Golf Classic, hosted the senior breakfast, and awarded the Flyer Alumni Association Scholarships.

“My hope is that more alumni will continue to engage with the Alumni Association, remember how their time at Loyola left an impact, and have an opportunity to reconnect with each other. We will continue to grow our traditional alumni events and do whatever we can to support Loyola,” said Dr. Michael.

We can't wait to see you all again next year!

## Senior Breakfast

The Flyer Alumni Association hosted a breakfast for the senior class prior to their College Signing Day. It was a great time for the class to come together one last time before graduation to have fun and bond as a class. **Dr. Rick Michael '89** and **John James Marshall '77** spoke to the class at the breakfast about the importance of giving back to the school as alumni and to always remember what it means to be a Flyer.

## Flyer Alumni Basketball Game

The Flyer Alumni Basketball Game raised more than \$1,500 for the Loyola basketball program this year. The Flyer Basketball team had a great time working the event and meeting former players, and our alumni enjoyed an afternoon together back in the LCP gym.

# HALL of HONOR

The 2021 Hall of Honor inductees included **JIM WELLS '73**, **MARK HART '90** and **MIKE SPENCE** (honorary). They were celebrated at the annual banquet on Oct. 14, 2021, and inducted into the Hall of Honor during half time at the football game on Oct. 15, 2021.

All three inductees contributed significantly to the school, its legacy, and students.

"These three men exemplify what it means to be a Flyer with their dedication to our school, students and their community," said John LeBlanc, Principal and Hall of Honor Inductee. "They are successful in their careers, but more importantly they are men of conscience, character, and compassion, and are committed to Loyola and its students."

The Hall of Honor is the highest recognition anyone can receive at Loyola College Prep. Nominations are received each year from alumni and then voted on by past Hall of Honor inductees and the Flyer Alumni Association's Executive Board.

**We hope you will join us for the 2022 Hall of Honor Banquet on Oct. 13 and the Hall of Honor Induction on Oct. 14.** This year Hall of Honor and Homecoming are on the same date, so we are looking forward to a big celebration.

## SVAUPDATE

### St. Vincent's Alumnae Association Update

Our focus this year has been on the rich history of St. Vincent's Academy and the Daughters of the Cross in Louisiana. We are most fortunate to have two rooms at the Catholic Center housing artifacts and displays documenting the amazing story of these women and the educational institutions they founded. If you have items you would like to share with the museum, such as letters, scrapbooks, yearbooks, or other memorabilia, call Madeline Elford at 318-865-4476.

We were proud to feature in our latest newsletter three women who are among our oldest known living alumnae. **Helen Harmon Nazzaro, class of '36**, lives in Tucson, Arizona and will be 102 on June 29. She became a student at St. Vincent's when her father was named the first commander of the newly opened Barksdale Field. **Rosemary Slattery Davis, class of '39**, just celebrated her 100th birthday on May 21. Rosemary was very active in the Shreveport community throughout her life and in parent organizations at St. Vincent's and Jesuit, serving as President of the Jesuit Mothers' Club. She still lives in Shreveport. **Betty Pegues MacLachlan, class of '40**, lives in Wilmington, Delaware, and holds a Ph.D. in Physical Organic Chemistry from M.I.T. These three women represent so well the qualities that the Daughters of the Cross instilled in those who attended St. Vincent's Academy. They each have many fond memories of their years at St. Vincent's.

# FROM THE ADVANCEMENT DIRECTOR

Dear Loyola College Prep Community,

Thank you all for a successful 2021-2022 fiscal year! The Loyola community continued to be challenged again last year, and just like in the previous year, you rallied together to show unified support of Loyola with your generosity. An amazing total of **\$2,101,746** was contributed across all funds this year, with 899 donors. This is truly a showcase of your Flyer pride, and I'm excited to see what is in store for the 2022-2023 school year!

## 2021-22 ADVANCEMENT HIGHLIGHTS:

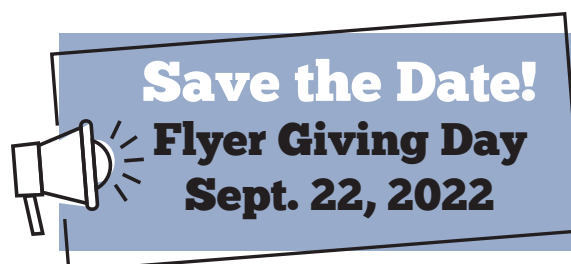

We held the school's first Giving Day, and in 24 hours, we raised over **\$103,000**, thanks to our supportive families, alumni, friends, and faculty.

The Gary Christ Scholarship Endowment was established by Gary Christ, Class of 1968, who bequeathed \$1.5 million for the education of future Flyers.

We launched our first corporate sponsorship program, and thanks to those local business partnerships, we were able to invest more into our academic, athletic, and operational programs.

Most of all, I want to take the opportunity to thank everyone who contributed to our Annual Fund. The Annual Fund is the cornerstone of all giving to Loyola that allows us to fulfill our mission year after year, and without your support and generosity, we could not continue the legacy that began 120 years ago.

Looking forward, we are excited to prepare for our second Flyer Giving Day on Sept. 22, 2022. With the money we raised last year, we grew the Community Scholarship Fund, broke ground on our new Chemistry Lab, and fortified the Annual Fund. I hope you will join the Flyer Family in participating this year. With such a successful Giving Day last year, I can't wait to see what we can do in 2022!

Thank you again for your support and your continued investment and trust in Loyola College Prep. Go Flyers!

Sincerely,

**Jessica Ray**  
Director of Advancement

## Loyola College Prep Corporate Sponsors

This past school year, Loyola began a new sponsorship program that partners with local businesses who are invested in our mission. Whether these community leaders are an alumnus, a parent, or just a friend of Loyola, we are grateful for their partnership and commitment to our school. If you are interested in becoming a sponsor, please contact **Jessica Ray** at **318-226-6287**.

## TO OUR GOLDEN SNOOPY SPONSORS

Home Federal Bank has defined local since 1924. That means we have been right here in Northwest Louisiana, surviving and thriving alongside our community in the good times and the bad. Our roots are here. Our headquarters are here. Decisions are made here. That's how we define local.

We are committed to supporting our local community, and we are proud to partner with Loyola College Prep this year.

CHRISTUS Shreveport-Bossier Health System is proud to support the students and faculty of Loyola College Prep. As a Catholic healthcare system, CHRISTUS' mission of extending the healing ministry of Jesus Christ, paired with our core values of Dignity, Compassion, Excellence, Stewardship and Integrity, seamlessly aligns to complement Loyola's goals for student development: academic excellence, spiritual growth, faith in action, strong character and service to others.

CHRISTUS is honored to invest in Loyola students, and we celebrate their strong foundation established at Loyola and their bright futures as our community's leaders of tomorrow!

*Thank you to our High Flyer Sponsor:*

Thank you to the Wall Center for Plastic Surgery and Jade MediSpa for your commitment to our students and faculty at Loyola College Prep!

# A MESSAGE FROM OUR BOARD PRESIDENT

Dear Flyer Family,

First and foremost, I am humbled by the opportunity to serve as President of the Board of Trustees this past year. I feel I am only a small part of a larger group of individuals, who are fully dedicated to the continued success of Loyola College Prep. As the singular Catholic high school in our area, it is imperative that we continue the Jesuit Catholic tradition of creating men and women of conscience, character, and compassion that was started almost 120 years ago.

The 2021-2022 school year presented a broad spectrum of successes and minimal challenges, and I could not have chosen a better year to serve in this role. Beginning with our academic excellence, this year, we had a student with a perfect 36 ACT score and another with a 36 super score. Our 2022 senior class was awarded over \$9 million dollars of scholarships and over \$11 million including the anticipated TOPS scholarships.

Athletically, our girls soccer team celebrated a state championship after making it to the state championship game four years in a row. Our boys golf team finished the year as state runners-up. Additionally, we won district or regional championships in football, baseball, tennis, and track and field. Not only are our students performing on the field, but many of these athletes made the LHSAA All-Academic Composite Team, meaning they played a varsity sport while also maintaining a 4.0 GPA.

The biggest blessing and surprise of the year was a \$1.5 million donation from the Christ family. Specifically, a former Flyer, Gary Christ, Jesuit class of 1968, chose Loyola College Prep as one of three charities to receive a portion of his estate. His generous contribution is a testament to the impact our school makes on students. The endowment is earmarked specifically for community scholarships, making attendance to Loyola College Prep available to more families. I hope this gift serves as both a beacon and challenge for continued support of Loyola.

Our school cannot carry on our tradition of academic excellence, student involvement, and faith in action without your support. I encourage you to continue to generously give back to Loyola. The school's needs continue to grow as we evolve and change with the rest of the world, and our aging facilities are in constant need of upkeep and repair. Thank you for choosing Loyola and continuing to impact our students, our legacy, and our future.

In closing, Stephanie and I are sad to see our direct relationship with Loyola College Prep come to an end as our second child is a member of the 2022 senior class. We have seen and felt the impact Loyola can make on students. Our involvement will of course continue, and I look forward to serving the board another term. I am grateful to serve alongside parents, alumni, and community supporters who are invested in our students, faculty, and the success of Loyola.

Very Truly Yours,

**Troy D. Raburn**

# THE ANNUAL REPORT

The 2021-22 Annual Report lists the names of all those who made gifts to Loyola College Prep during the fiscal year from July 1, 2021 - June 30, 2022. While we have made every effort to honor donors by being inclusive and accurate, we ask for you to accept our apologies for any errors or omissions and notify Jessica Ray, Director of Advancement at 318-226-6287 or [jra@loyolaprep.org](mailto:jra@loyolaprep.org) so we can correct our records.

## THE ANNUAL FUND 2021-22

The Annual Fund is the cornerstone of all giving to Loyola that allows us to fulfill our mission year after year, and without your support and generosity, we could not continue the legacy that began 120 years ago.

Each gift to the Annual Fund helps fill the gap between the actual cost of tuition at Loyola and what we currently charge by providing resources for academic, technological and athletic support. Donations to the Annual Fund enables the school to respond to urgent and ongoing operations priorities that benefit our current students in all aspects of their educational experience.

Please note that the donors who fall into more than one constituency group will be included for participation in each group, but their gift will be reported just once in the group that has the closest connection with Loyola College Prep.

*As an independent school administrator, I know firsthand that tuition alone doesn't cover the cost of educating a student. I give to Loyola because its mission is critical to the Shreveport-Bossier area. Without question, Loyola is the most sophisticated college preparatory school in North Louisiana. Alumni participation and giving is critical to ensuring not only the success of Loyola's students, but the school itself."*

This year, a group of four Loyola students wanted to create a memorial garden to remember and celebrate the lives of the two students who died last year, Colten Miller and Aubrey Bailes, as well as the lives of those students who passed away during their time at Loyola. To raise money for this project they held a bowlathon and a golf social. We are so grateful to the Bailes and Miller families for their blessings on this project.

Thank you to those generous donors and participants who supported the events especially Hoogland's Landscaping for their work and generous donation. We want to recognize Declan Chmielewski, Charlotte Cole, Audrey Dufrene, Maeve Chmielewski for their efforts, passion, and dedication on this project from conception to completion.

*Loyola is very much a familial community; students in a class are close to one another and between classes there also exists an intimate relationship. To see members of our Loyola family pass while they are students is a loss to the community that is inexplicable. A peaceful place to remember and pray for these students did not exist yet, and we thought it would be appropriate for a group of students to work to repurpose an unused place on campus."*

## HONORARIA AND MEMORIALS 2021-22

*I am proud of attending a school that has meant so much to my family, since my father's time at Jesuit. Nine total family members have attended, including my father, my brothers, sister, sister-in-law, wife and my daughter. I attended Loyola with only one other male from my middle school class. I left with my future wife and life-long friends. Loyola is our only Catholic high school in this region; therefore, it is the only school with a focus on continuing the Jesuit Catholic tradition of discipline, academic excellence, student involvement, and faith in action for The Greater Glory of God. I am thankful for my parents' sacrifice, sending me and my siblings to Loyola. Their decision to send me to Loyola absolutely shaped my family, my faith, my career, and my friends. - Mark Hart, Class of 1990*

# ENDOWMENT AND SCHOLARSHIPS

**Loyola College Prep continues to honor its commitment to providing superb college preparatory Catholic education, regardless of a student's financial ability to pay full tuition. In the 2021-22 school year, 21% of students received a total of \$318,000 in tuition assistance. Loyola is grateful to the following alumni, parents, and friends who have generously established, endowed, and contributed annual scholarship funds to help ensure that all students can access and benefit from the Loyola experience.**

## ENDOWMENT AND SCHOLARSHIPS 2021-22

*My Catholic education was the best gift my parents could have ever given me, and my experiences at Loyola provided a strong foundation that I've carried with me over the years. My education would not have been possible without my parents' sacrifice AND the generosity of donors who contributed to Loyola's scholarship fund. I choose to give back to help other students wanting to receive a top-quality education.*

## St. Ignatius Statue

Loyola student **Addy Quintana** came across the most beautiful statue of St. Ignatius of Loyola while traveling in South Louisiana earlier this year. She was immediately drawn to the statue because of its impressive size, design, and how much St. Ignatius means to our school.

The statue stands at an impressive 7.5 feet tall, and comes from Belgium. It's wood-based with the most beautifully carved details.

"St. Ignatius was the founder of the Jesuit order which became known for its missionary work, educational, and charitable works," she said. "St. Ignatius lies deep in our school's history, and because of that, Loyola College Prep would be a perfect home for this piece of historical art. It would be a great reminder of St. Ignatius' works and how he inspires us still today to set the world on fire."

Addy started a fundraising campaign and the Loyola Family stepped up to help raise the money to purchase and transport the statue.

Thank you to everyone who helped with this special purchase for our school especially the Templeton family.

*Whether it's volunteer hours for clubs or for a grade, or weekly masses that I have learned to cherish and look forward to, we have learned to become men and women for others and not just ourselves.*

*Without Loyola, I never would have been brave enough or ready enough to publicly declare my faith and become Catholic. So thank you Loyola for showing me love of the Catholic faith and giving me all the tools I needed.*
